If

you're like most actors, you're only connected with a handful of Casting Directors (if any at all).

Here's why...

Casting Directors are notorious for having awesome "gatekeepers". Having spent nearly 20 years as a Casting Director, I can tell you that is 100% true.

It's not that they don't want to meet you, get to know you and cast you. In fact, just the opposite.

They're

DYING to meet, get to know and cast actors whom they don't know.

ACTORS JUST LIKE YOU!

It's just that they get absolutely inundated with a tsunami of actors all wanting their attention, every single hour of every single day.

So, they do whatever they can to "protect" themselves from getting swept away by that "tsunami" of actors, while still meeting as many

actors

as they can and doing the job they were hired for, casting the film or TV project they're working on.

But the **GOOD NEWS** is things are changing rapidly.

Casting Directors are putting themselves out there on social media every single day, without any gatekeepers whatsoever.

twitter is one of those places.

You

can literally reach out to almost any of them directly IF you know:

- 1 *Where to find them.*
- 2 *Know what to say when you do.*

Step 1 of this process has been done for you...

With this “cheat sheet”, you now have a list of 263 Casting Directors who are ON Twitter, saving you hours and hours of time hunting for Casting Directors to connect with.

Not

only that, but this list tells you which ones are active on **twitter** as of the publishing of this list. Meaning, they are on Twitter, tweeting and responding on a regular basis.

BOOM!

Those are the ones who you can and should target and connect with.

I've also included ones that aren't active.

Why?

Well, you might be looking for a specific Casting Director and wanting to connect with them on **twitter**. But if they're not active, you will have wasted your time hunting them down, only to find out that you can't actually make a connection.

And, since this resource was designed to save you a boatload of time, I included them too, so you don't have to hunt around **twitter** for them.

Don't

worry if your favorite Casting Director is somehow NOT on this list. There are many other ways to find and connect with them.

If you're focused on a handful of Casting Directors, you're missing out on some amazing opportunities.

PRO TIP!

Open up your list. Expand it. The more you expand your list, the more opportunities you can find and create.

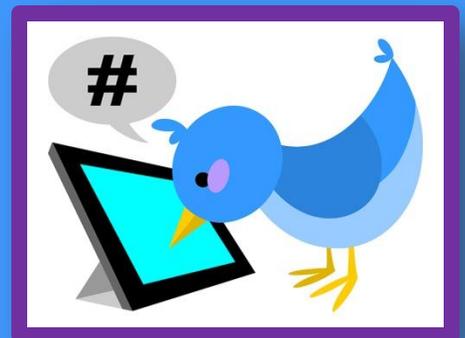

263 CASTING DIRECTORS ON TWITTER

You

have **263** ways to do that right now.

And here's your most important action step for this "cheat sheet".

USE IT!

Make your target list of CDs you want to connect with.

Find them on this list.

Let the connecting begin!

263 CASTING DIRECTORS ON TWITTER

P.S.

I have to come clean. I know I promised you 263 Casting Directors. But is it OK if I give you more?

You see, there aren't actually only 263 Casting Directors on this list.

There are 280!

I made one final edit to this cheat sheet but the art work was already done. So, there ya go. You just got even more than you expected, in the best possible way.

Now go forth and connect!
